Kills 99.99% of Germs

Consumer Information: A multi-use spray with the fresh, clean fragrance of Australia. A natural air and surface purifier, kills 99.99% of germs and bacteria plus helps prevent their re-growth. Also an excellent deodoriser. Helps the whole family breathe easy.

History: The eucalyptus oil industry was founded by Joseph Bosisto in Victoria, Australia in 1852. Since then it has been discovered that from 600 species of eucalyptus, *Eucalyptus polybractea*, commonly known as "Blue Mallee" produces the best medicinal oil. "Euky Bear" Brand Eucalyptus Oil contains pure "Blue Mallee" oil harvested by J. Bosisto and Co. from 5000 hectares of unique natural forest.

Directions for Use

Kills Germs & Bacteria

For the toilet, bathroom and kitchen, Euky Bear Eucalyptus Spray is a great natural alternative. It kills and prevents the growth of germs and bacteria so is also excellent for use in sickrooms. Can be used for bench-tops, bins and pet areas.

As a surface spray, hold the can 15-20cm from the area. Spray until the area is covered with a fine mist, wipe away if required. Suitable for hard surfaces and most fabrics. Also removes unpleasant odours.

Room Freshener

For all those areas that require freshening: sickroom, bathroom, toilet, cupboards, etc. Euky Bear Eucalyptus Spray leaves a clean, fresh eucalyptus odour with no residues and kills bacteria that can cause offensive odours. Ideal to clear stale smoke fumes. Spray sparingly to freshen and deodorise air. Remove or cover fish tanks before spraying.

Bedroom

For mattresses, bedding, pillows, curtains and soft toys. Spray on pillow for clear night-time breathing.

Office

For telephones, door handles and computer keyboards. Use as an office freshener for a pleasant work environment.

Spot and Stain Remover

Euky Bear Eucalyptus Spray is wonderful for getting out stubborn stains and grease marks on carpets, clothes and fabrics. It is ideal on carpets because spots and stains can be removed without getting the carpet wet. Simply spray and wipe. The carpet rapidly dries, can be walked on immediately and there is no re-soiling.

To remove grease marks and stains on clothes, carpets and fabric, place absorbent cloth under stained area, spray and wipe with clean cloth brushing towards the centre of the mark to prevent the formation of a ring.

Laundry Pre-Wash

Euky Bear Eucalyptus Spray is ideal for taking out grease marks on clothes. Spray soiled areas, leave a minute, then wash in normal manner.

Gum and Glue Remover

Euky Bear Eucalyptus Spray quickly removes chewing gum from shoes, floors and hair. It is particularly good for taking off adhesive labels without damaging the surface. It is a painless method for removing sticking plaster from the skin.

Car Interiors

Purify, deodorise and freshen the car interior. Spray approx. 20 seconds in car around front and back seats. Also suitable for upholstery.

Can be used on windows and mirrors to clean finger marks.

Tar Marks on Cars

Euky Bear Eucalyptus Spray will remove tar from the paintwork of motor vehicles. It is recommended to patch test first.

Just spray and wipe clean.

Pet Areas

Euky Bear Eucalyptus Spray is very effective for freshening and deodorising pet areas and to remove unpleasant odours. It is excellent for removing pet stains and marks.

Caution: for external use only. Avoid contact with eyes and sensitive skin. Keep out of reach of children.
