Natural and effective

Euky Bear Pre-Wash Stain Remover contains natural Eucalyptus Oil to remove stubborn stains and grease marks from clothes and fabrics. Takes out tough stains laundry products and liquids won't touch. Tough on stains but gentle on clothes, hands and skin. No harsh chemicals, bleach or abrasives.

Contents

Euky Bear natural Eucalyptus Oil. Garden safe. No harsh chemicals, bleach or abrasives. Euky Bear Pre-Wash does not contain phosphates.

Directions

- Squeeze a small amount of Euky Bear Pre-Wash onto the stain.
- Rub into the stain using the special application nozzle, ensuring the stain is thoroughly covered. Leave for a few minutes and wash normally. For best results use warm water.
- For more difficult stains, Euky Bear Pre-Wash may be left on stain for up to 7 days, and then reapplied again before washing. It is advisable to patch test cotton, knits, denim, and other colourfast materials. For very old or tough stains, repeat applications may be necessary.

Uses

Euky Bear Pre-Wash Stain Remover has been shown to be effective against common stains and grease, such as grass, oil, inground dirt, coffee and ink marks, many of which do not lift from fabric fibres during normal washing.

Special Features

The natural solvency and freshening properties of Eucalyptus oil, combined with modern biodegradable surfactants, creates a highly effective pre-wash that is tough on stains but gentle on hands and skin. The built-in applicator makes it easy to use.

Presentation and Availability

Euky Bear Pre-Wash Stain Remover is packaged in a 200mL pearl plastic bottle with applicator.
